

LOST SOCKS

(Socks, the cat...)

(623) 271-0513

Info

We are new to the area, just moved in about a week or two ago. Our 9yr old cat named socks has been missing since 02/09/2024. I would not be surprised (since it was raining) if he went to someone's house and wanted inside.

Any information regarding this would be much appreciated.

Thank you
